

Affordable and Compact All-in-One.
Quality prints, copies and scans.

Everyday Range

The PIXMA MP190 is an everyday solution to producing quality prints, copies and scans at home. High resolution, microscopic ink dots ensure you produce quality borderless photos at home. Print in approximately 70 sec for a 6" x 4" photo. Scan at up to 600 x 1200 dpi and copy as fast as 19ppm black and 14ppm colour. The PIXMA MP190 is the perfect All-in-One for students and the whole family.

Economy photo paper perfect for everyday use.

Disclaimers

- Ink droplets can be placed with a pitch of 1/4800 inch at minimum.
- Up to 100 Years' Life in a Photo Album when printed with ChromaLife100 ink on selected Canon photo papers. Kept in a photo album, shut out light and air (gas), temperature 23 degrees and 50% humidity. Predicted value from the accelerated test. Result may vary based on individual environmental factors. For more information, please visit canon.com.au/ChromaLife100
- Print and copy speed dependent on system configuration, image/document complexity, type of paper used, software, print mode and does not take into account data processing time on host computer.
- PictBridge camera direct and mobile phone printing requires PictBridge compatible digital cameras and phones in order to function. Check with your manufacturer or users guide to determine PictBridge compatibility.
- USB 2.0 Hi-Speed performance requires Windows Vista, Windows XP with Service Pack 1 or Windows 2000 with Service Pack 4 with pre-installed USB 2.0 Hi-Speed port.

* Ink yield value in accordance with ISO/IEC 24711. Plain paper values obtained by continuous printing. 6x4 photo paper values obtained by continuous printing. The figure above is an average value, measured when printing continuously using the ink immediately after it is unsealed, until the ink is out. Ink yield may vary depending on photos/documents printed, applications software used, print mode and type of paper used. This should be used as a guide only and does not take into account ink that might be used for head cleaning or head refreshing to maintain printer performance. Please visit our website for further details.
